Saturday Classes: This is NOT a race day order.

IMPORTANT UPDATE 4/26/10: We had Vet + 35 and Senior +45 and Super Mini 13-16 listed as Saturday Qualifier Classes by mistake, both of those classes run on Sunday and will more than likely be combined with other classes on Sunday.

All Saturday classes are qualifier classes.

You may race on Saturday event if you are not qualifying as long as you and your machine satisfy the class requirements.

Sunday Classes:

Sunday classes are a combination of Northern Cup Motocross Series and Qualifier Classes, in many cases they are the same.

Unless otherwise noted, Mods allowed in all classes.

Northern Cup Motocross Series only classes are GREEN

Combined classes (Qualifier/NCM) are in BLACK

Bolded classes are qualifier only classes

Whenever possible, classes will be combined. EX: Sportsman/College is a possible combination, 85cc 12-15/85cc 12-14 is a possible combination, 125 Jr/Schoolboy 2 is a possible combination, etc. Those with age overlaps are all likely combinations.

Other classes may be combined and scored separately.

25 classes is a normal day here in Wisconsin, we will have no problem finishing in a timely manner.
